## Entry Restrictions

It is anticipated that all entries received will be accepted. However, the Committee reserves the right to reduce the number of entries accepted in any class or classes should there be insufficient penning space to accommodate all entries. The Committee encourages early Entry and reserves the right to declare Entries closed if maximum capacity is reached prior to the closing date for entries. (Full Shed)

## Health & Cleanliness of Exhibits

- Exhibitors are requested to ensure their exhibits are in good health and condition when delivered to the Poultry Pavilion. Exhibits showing signs of sickness, disease, vermin, or poor condition may be refused acceptance and removed by the Chief Steward. Entry fees will not be refunded.
- Exhibitors are requested to ensure that exhibits are clean by examining their birds for lice and vermin prior to delivery.
- Interstate exhibitors will be welcome, but they are asked to check with the appropriate government department in their home States to ascertain details of any special health regulations to be met before birds may be forwarded to or returned from the ACT.

## Property Identification Code (PIC)

The RNCAS Committee hereby request owners of all species of poultry to be compliant with the requirements of PICs. PIC Requirement

- **A PIC number** is required for any holding on which are held 100 or more chickens' turkeys, guinea fowl, ducks, geese, quail, pigeons (Including racing pigeons), pheasant or partridge and 10 or more of emus and / or ostriches.
- **Compliance**  
The onus is on individual property and stock owners to comply with PIC requirements under clause 29 of the Stock Diseases Act 2009. There is no active surveillance for or compliance of PICs for property on which Poultry are held.
- **RNCAS PIC Number**  
The RNCAS of EPIC Showground PIC number for compliant Exhibitors recording the details of their bird's movements is NG 750 154

## Entry Acceptance

- No exhibit entered in a wrong class will be allowed to compete, and the entry fee in respect of such exhibit will be forfeited.
- The decision of the Judges shall be accepted as final.
- No trimming, plucking, dyeing of feathers, legs or any other fraudulent practice will be allowed, and every exhibitor will be deemed to be, and will be held responsible for the condition in which his exhibit appears in the pen.

- Any protests shall be considered by the Committee as soon as possible after lodgement, and their decision shall be final for this show.
- Whenever any exhibit has been disqualified the Committee may also disqualify the exhibitor thereof from exhibiting at future Shows of the Society and may declare forfeited all prizes awarded to him.
- Should any exhibit which has been awarded a prize be disqualified, the next in order of merit on the Judge's award card shall not necessarily be entitled to the prize, but the matter shall be determined by the Committee.
- No bird other than an exhibit in respect of which application for entry has been accepted by the Society shall be brought onto the Showground by any exhibitor or other person except with the consent of the Chief Executive Officer or nominated delegate.
- No bird other than an exhibit shall be displayed or offered for sale on the Showground except as part of a Trade Stand and then with the consent of the Chief Executive Officer or nominated delegate.
- An exhibitor must not cover any exhibit during the period the pavilion is open to the public unless at the direction of the Chief Steward.
- Birds may only be removed for photographing with the approval of the Chief Steward or Supervising Steward, who will appoint another steward to attend while the birds are being photographed.
- The Chief Steward or Show Manager may sanction the removal of birds from pens should this be required to conduct Judging.
- **Exhibitors are responsible to feed and water their own exhibits.**
  - Exhibitors should supply feed for their birds throughout the show. Some feed will be available if necessary, during the show.
  - Given the short duration of the show the Committee recommends exhibitors bring their own feed supplies and continue to feed their birds their normal ration to avoid potential setbacks.
  - Every pen will have a drinker. Watering cans will be available.
  - If birds are not familiar with "treated town water" it may be that exhibitors choose to bring familiar water for their birds.
  - Birds should always have water available to them. Prior to judging however, some exhibitors prefer to remove water from exhibits until they have been assessed. Should water be removed by exhibitors the drinkers must be immediately returned to the inside of the pen.
  - Overfeeding is not recommended.
  - Welfare of exhibited birds is of highest priority.
  - The Committee will appoint 2 Welfare Stewards whose task it will be to identify any unwell or stressed birds that might require attention, feed or water.

It is agreed between the parties that, in the sole view of the Directors or the Chief Executive Officer or some other authorised officer that the Show is to be partially or fully cancelled for any reason whatsoever, the exhibitor shall not pursue the Society for the recoveries of lost income or damages.

Exhibitors are requested to advise the Society by phone, letter, or e-mail at least 10 days prior to penning date, if any exhibits cannot be penned. This will assist in avoiding empty pens within classes.
